

Kendall Talbot

Kendall Talbot is an award winning author, thrill seeker and hopeless romantic. She's travelled extensively, some 36 countries so far and she's addicted to experiences that make her scream... white water rafting, scuba diving with sharks and hang gliding are just a few. Her stories reflect her sense of adventure and her love affair with her very own hero.

Her debut novel *Lost in Kakadu* (Escape Publishing, 2013) has resulted in a clutch of award nominations and most notably won the exclusive title of Romantic Book of the Year 2014.

Kendall collects junky jewellery and expensive perfume, her favourite night out is with great friends and a fabulous bottle of wine or two, and she rarely watches TV. She lives in Brisbane with her hubby, her two grown sons and her fluffy little dog, Josie McLuvin.
